**A Word from the President**

Dear Members:

I hope you all had a Merry Christmas and you are having an excellent New Year!

Your Board is working hard to accomplish some unfinished business for the year, including final preparations for the 2008 Annual Training Seminar and Meeting. You will find that we have made a few changes for this year, including a President's Reception on day 1 and two additional hours of training on day 2. We will be having the annual meeting on day 2 this year, including the election of officers and directors.

Over the next few months please take an opportunity to consider becoming more involved in the IA-NE Chapter. The time commitment involved with serving as an officer or director is relatively limited and no experience is necessary. Alternatively, there are opportunities to serve on various standing committees that require a more limited commitment.

Please keep in mind it is vital to the long term success of any organization for new people, with fresh ideas and renewed energy to play a role in the leadership of the organization. Serving on a board is an excellent way to gain new experience and develop professionally.

I am looking forward to the seminar and seeing you all in April.

*Patrick Yates  
President*

The following positions will be voted on in April:

- ~ President
- ~ Vice President
- ~ Secretary Treasurer
- ~ Director
